OUR GOAL

The Bradford Women's Business Group will provide opportunities for women who work in the district to keep up to date with issues concerning Bradford and its economy, form new business contacts and make friends.

BRADFORD WOMEN'S
BUSINESS GROUP

WHO ARE WE?

A group of like minded women who meet regularly to network and support each other in our work/business activities.

Our group is informally structured with some of us taking an administrative role in organising the meetings and events, which has proved a popular and winning approach. There is a strong sense of mutual support in our group which has evolved since our beginning over nine years ago and we are renowned for being friendly and welcoming.

Our membership now stands at over 200 representing almost every profession ranging from the private and public sectors and social enterprises. There is an abundance of entrepreneurial spirit and many of our members are in non conventional jobs, while other have changed career paths and are embarking on new ventures.

MEMBERSHIP IS FREE*

*At some venues we are required to pay a nominal charge to cover the costs of refreshments

WHAT DO WE DO?

Our group generally meets over a lunchtime period from noon and usually on the last Thursday of the month about six or seven times per year. We include lunch and a guest speaker who will talk about a topic of current interest relating to the life and character of the district and our business needs.

Our members put forward ideas for topics that have in the past included :

- Bradford Vision** - changes in the city centre.
- Employment Law** - something that affects us all
- Management Development** - its role within our business
- Community Relations Development** - importance in working together
- Aromatherapy** - a lighter touch
- Photography** - changes in techniques
- Neuro Linguistic Programming** - left and right brain thinking

Sometimes we hold evening events that feature more than one speaker, a buffet, networking and the chance to socialise over a glass of wine. On a lighter note we have enjoyed a Clarins Beauty Blitz, a tour of the Alhambra Theatre plus visits to health clubs, museums, art galleries and restaurants.
